

Drive By

Calvin Russell

Where does it go when it's gone
Where is the faith
That I need to hold on
Where is the love I need to feel
(no no I don't know)
Where is my courage and my will.

Sold to the highest Bidder
Shot down in a Drive-by.

Where did my dreams go today
Where do they go
When they go away
Where is the freedom that I love
Where is the future I was thinkin' of.

Sold to the highest Bidder
Shot down in a Drive-by.

Oh my love
Hold me tighter
Oh my love
Hold me now.

Where does it go when it's gone
Where is my faith
That I need to hold on
Where is the freedom that I love
Where is the future I was thinkin' of.

Sold to the highest Bidder
Shot down in a Drive-by.

Oh my love
Hold me tighter
Oh my love
Hold me now.
