Your Love Is Stranger Than Mine

Camel

Can't you see?
All of the things that I'm trying to say
Are inside of me
I never thought I'd be feeling this way
But I think you've known all the time
Your love is stranger than mine

Seeing you
I can't believe in a love that won't leave
I don't want you to
Be anyone that you don't wanna be
But I think you've known all the time
Your love is stranger than mine

If you are the one To make it, to break it If you are the one Won't you stay with me?

One more time

Getting a feeling afraid that I might be

Out of line

Telling myself there's a chance that you

could be someone I've known all the time

Your love is stranger than mine
