

Spoonful

Canned Heat

We could fill a spoon full of coffee
We could fill a spoon full of tea
Well, just a little spoon of your precious love
Is good enough for me.

Men lied about that
Some of 'em cried about that
Some of 'em died about it.
Everything's a-fightin' about the spoonful
That spoon, that spoon, that spoon.

We could fill a spoon full of diamonds
We could fill a spoon full of gold
Well, just a little spoon of your precious love
Will satisfy my soul.

Men lied about that
Some of 'em cried about that
Some of 'em died about it.
Well, everything's a-fightin' about the spoonful
That spoon, that spoon, that spoon.

We could fill a spoon full of water
Oh, save them from the desert sands
Well, just a little spoon of your precious love
Saved you from another man.

Men lied about that
Some of 'em cried about that
Some of 'em died about it.
Well, everybody's fightin' about the spoonful
That spoon, that spoon, that spoon.
