Every Road

Carl Perkins

Here I am Lord, One more time Lord
Cold and hungry at your door
I am empty, I am broken
Take me in Lord, just once more

I'm a sailor, I'm a drifter
I have wandered the whole world through
But no matter where I go Lord,
Every road leads back to you

I've been searching on the mountain,
Cross the ocean deep and wide
Oh but now I found my answer
It was you, Lord, all the time

I'm a sailor, I'm a drifter
And I have wandered the whole world through
But no matter where I go Lord,
Every road leads back to you
Every road leads back to you
