

# Natural Woman

Carole King

I used to feel uninspired  
And when I knew I had to face another day  
Lord, it made me feel so tired  
Before the day I met you, life was so unkind  
But your love was the key to peace of mind

Cause you make me feel, you make me feel,  
You make me feel like a natural woman

When my soul was in the lost-and-found  
You came along to claim it  
I didn't know just what was wrong with me  
Till your kiss helped me name it

Now I'm no longer doubtful of what I'm living for  
And if I make you happy I don't need to do more

Cause you make me feel, you make me feel,  
You make me feel like a natural woman

Oh, baby, what you've done to me  
You make me feel so good inside  
And I just want to be close to you  
You make me feel so alive

Cause you make me feel, you make me feel,  
You make me feel like a natural woman
