Love Is Surrender

Talk about love how it makes life complete You can talk all you want make it sound nice and sweet, But the words have an empty ring, and they don't really mean a thing,

R: Without Him love is not to be found; not to be found. For love is surrender, Love is surrender to His will Love is surrender to His will

Sing about love and the strength it can give You can sing how you're ready to face life and live, But you know as the days go by that no matter how hard you try,

R:

Shout about love and the wars will all end You can shout we're all brothers and even pretend But you can't cover up the past just pretending we'll never last,
