The First Time Ever I Saw Your Face

Celine Dion

The first time ever I saw your face I thought the sun rose in your eyes And the moon and stars were the gifts you gave To the night and the empty skies, my love To the night and the empty skies

The first time ever I kissed your mouth I felt the earth turn in my hand Like the trembling heart of a captive bird That was there at my command, my love That was there at my command

The first time ever I lay with you And felt your heart beat close to mine I thought our joy would fill the earth And last 'till the end of time, my love And last 'till the end of time

The first time ever I saw your face I thought the sun rose in your eyes ANd the moon and the stars were the gifts you gave To the night and the empty skies, my love To the night and the empty skies
