## Sittin' & Thinkin'

**Charlie Rich** 

Sittin' & Thinkin' (Please baby wait for me) (Wait for me) (Wait for me) I got loaded last night on a bottle of gin. And I had a fight with my best girl friend. But when Im drinkin I am nobodys friend. But, please baby wait for me until they let me out again. I know the same thing has happened before. And every time it does, I hate it more and more. But when Im drinkin I am nobodys friend. But, please baby wait for me until they let me out again. (Spend a whole lot of time) Spend a whole lot of time, (Spend a whole lot of time) Sittin and thinkin, (Spend a whole lot of time) Sittin and just thinkin bout you. If I didn't spend so much time sittin and drinkin. Wed still have a love that we once knew. Oh, I wont promise the same thing wont happen again. But I can promise, it'll be a long, long time till then. Cause when Im drinkin I am nobodys friend. But, please baby wait for me until they let me out again. Please baby wait for me until they let me out again.
