

# Hell on Wheels

Cher

Well I'm hell on wheels, I'm a roller mama  
I can slide down places that you never knew  
Try me on for size at the roll-a-rama  
If you tie my laces then I'll follow you  
Follow you, Follow you

See something I like, gonna go for it  
See something I want, I'm gonna go after it  
See something I like, gonna go for it  
See something I want... let's roll  
Hell on wheels, let's roll  
Come on roll with me  
I roll at a quarter till three yeah  
And let's rock, hell on wheels, let's rock  
Come on rock with me  
I'll make you feel so free yeah, look out

Well I'm hell on wheels, say I'm roller crazy  
I won't go too fast, no I won't go too far  
We'll be high on wheel if the room gets hazy  
Just look out for me, I'm your guiding star  
Guiding star, guiding star

See something you like, better go for it  
See something you want, better get down on it  
See something you like, better go fot it  
See something you want

Let's roll, hell on wheels, let's roll  
Come on roll with me  
I roll at a quarter till three yeah  
And let's rock, hell on wheels, let's rock  
Come on rock with me  
I'll make you feel so free yeah, look out

If you see something you like, you better go for it  
If you see something you want, you better get down on it  
If I see something I like, I'm gonna go for it  
If I see something I want, you know I'm gonna get down on it

Well I'm hell on wheels, I'm a roller mama  
I can slide down places that you never knew  
Try me on for size at the roll-a-rama  
If you tie my laces, then I'll follow you  
Follow you, follow you

See something I like, gonna go for it  
See something I want, I'm gonna go after it  
See something I like, gonna go for it  
See something I want... let's roll  
Hell on wheels, let's roll  
Come on roll with me  
I roll at a quarter till three yeah  
And let's rock, hell on wheels, let's rock  
Come on rock with me  
I'll make you feel so free yeah, look out
