

Cannibal

Children Collide

She is a cannibal and she likes me
Kind of ironic 'cause I don't eat meat
She is a cannibal
She is a cannibal
She is a cannibal and she likes me

Like a ?? I'm not so afraid
?? around my hands and around my face
Like a ??
Like a ??
Like a ?? I'm not so afraid

Alone and godless
Blown away
I told you once i'm not gonna stay
You're living a lie
To purify
Alone and godless
Blown away

I might be the anti-christ but thats ok
She might be christian and she might be gay
I might be the anti-christ
I might be the anti-christ
I might be the anti-christ but thats ok

Alone and godless
Blown away
I told you once i'm not gonna stay
You're living a lie
To purify
Alone and godless
Blown away

She is a cannibal and she likes me
Kind of ironic 'cause I don't eat meat
She is a cannibal
She is a cannibal
She is a cannibal and she likes me
She is a cannibal
She is a cannibal
She is a cannibal and she likes me
