

# Crazy In Love

Christian Kane

[Verse 1]

Angels are dancing in my head again  
And it keeps my walking pace a little faster than  
What it used to be  
'Cause she found me  
Now there's dancing in my head  
Am I crazy?  
Well, yes, I am

[Chorus1]

I don't think that it seems really all that strange  
When I'm skipping down the road singin' her name  
But if you could see her walk across a crowded room  
Then you would understand why i go insane  
The way she glistens in the moonlight  
The way she outshines the star brighter than any sun

[Verse 2]

Well angels are singing in my head again  
And I don't mind saying that sometimes I understand  
The rye band's let her by  
The coyotes cry  
Well, they're singing in my head  
Am I crazy?  
Well, yes, I am

[Chorus 2]

And I don't think that it seems really all that strange  
When I'm outside doing cartwheels in the rain  
But if you could see her walk across a crowded room  
Then would understand why i go insane  
The way she glistens in the moonlight  
The way she outshines the star brighter than any sun  
Oh, then I tell you man well, yeah  
Well, I just can't get enough  
'Cause I'm  
Crazy in Love

[Chorus1]

And I don't think that it seems really all that strange  
When I'm skipping down the road singin' her name  
But if you could see her walk across a crowded room  
Then you would understand why I go insane  
Yeah

[Verse 3]

Well, angels are laughing in my head again  
I can see them laughing but I just don't give a damn  
'Cause see it's you and me  
Well, she ought to be  
And there's angels in her head  
Am I in love?  
Yes, I am  
C'mon!  
Woo!
