

# I Don't Need It Anymore

Christina Aguilera

I don't need it anymore  
I don't need it anymore  
I don't need it anymore  
I don't need it anymore

No  
Eyes wide open  
I'm alive again  
Senses sharpened  
Wash away my sin  
Can you feel it?  
Changes in the air  
Take back the power  
Breathe it in your skin
