Heaven/Hell

Chumbawamba

Tall as houses Small as spiders Undefined this buzz inside us

Tightrope walker
Chaos order
I fell right into heaven/hell
Devil take me
God forsake me
Made my home in heaven/hell

Out of ruins growing pains Wide-eyed pirates crossing bones

Tightrope walker
Chaos order
I fell right into heaven/hell
Devil take me
God forsake me
Made my home in heaven/hell

Kicking giants drowned in reason Breaking old building new

Tightrope walker
Chaos order
I fell right into heaven/hell
Devil take me
God forsake me
Made my home in heaven/hell
