

The Health & Happiness Show

Chumbawamba

That was really good
Yeah wasn't it?
Yeah
Uhh what about the record?
Ahh they'll get it
It's a no-no, I've gotta heave-ho
I got no stomach for a dumbed-down tomato
Gene genie, rogue soya beanie
Get thee behind me patent margarinie
Here's to you and your health and happiness
Here's to you and your health and happiness
Here's to you and your health and happiness
Here's to you and your health and happiness
Bobby can you hear me?
Uhh
Wh-what a day?
This song
