

# Miracle

CocoRosie

I met a boy, he wore a seatbelt  
He kissed my cheek in the back seat  
We played basketball and his girl cousins  
Played too in Germaine

I'll be your girl  
I'll be your boy

But Victor he was my first man  
He didn't have any money  
So I paid for his movie  
Viva lost childhood

Be my boy forever  
And I'll be your girl

I'll be your girl  
I'll be your boy
