

We'll Be Alright

Collin Raye

Today the pain we feel is cuttin' deeper
The faith that we had yesterday is all twisted inside
We don't know how to go about tomorrow
But we'll be alright

And though the walls may crumble all around us
Dark clouds may force their way on a blue sky
These tears we share will only make us stronger
We'll be alright

As long as we remember, the only thing that last forever
Is the love we feel together, side by side
We'll be alright

Mmmmm-hmmm-mmmm

And when we find ourselves in trouble
The spirit of our love will always survive
I hope and pray the whole wide world's watchin'
'Cause we'll be alright

And I know that we'll remember all that lasts forever
Is the love we feel together, side by side
We'll be alright, we'll be alright
We'll be alright (we'll be alright)
Oh, I hope the whole world is watchin'
(We'll be alright, we'll be alright))
Side by side
