

Out of my mind

Colorfactory

I don't wanna make you cry
I don't wanna make a mistake
Everytime you say goodbye
I get the funny feeling that you're faking it
I get the funny feeling that you're faking it

Na na na na na na na na
Na na na na na na na na

So remember
You said you love me
But you're really out of your head
And now I'm dead
(But I will)
Gotta get you out of my mind
Gotta get you out of my mind
Gotta get you out of my mind
Into my heart

I don't wanna walk away
I don't wanna leave you in pain
But everytime you say you stay
It's a shame to play the little games you're playing
It's a shame to play the little games we're playing

Na na na na na na na na
Na na na na na na na na

So remember
You said you love me
But you're really out of your head
(But I will)
Gotta get you out of my mind
Gotta get you out of my mind
Gotta get you out of my mind
Into my house

Na na na na na na na na
Na na na na na na na na
