

Hideaway

The Corrs

It's time to change, throw out the books
and start again
Break all the rules, fall on your face
don't be ashamed
You can't waste more time 'cause you've been
gone for far too long
Trapped in his arms, safe without harm
Follow your heart don't be afraid

You think that you're ok
But I don't believe in what you say
You think that it's too late
But it's no good, good enough for you

Don't hideaway
'Cause I know that you've got what it takes
I believe you can be what you wanna be

Let yourself go, don't you worry about a thing
Breaking the chains, so hard to begin
Follow your heart don't be afraid

You think that you're ok
But it's no good, good enough for you

Don't hideaway
'Cause I know that you've got what it takes
I believe you can be what you wanna be

Don't hideaway
'Cause I know that you've got what it takes
I believe you can be what you wanna be

Don't hideaway
'Cause I know that you've got what it takes
I believe you can be what you wanna be
You can be what you wanna be
