

## Rising Sun

### Covenant

My eyes grow darker  
Can barely see your face  
Yesterday I tried to belong  
You know I won't stay that long

In a time of lust and liars  
I learned to trust my own desires  
Touch me don't be ashamed  
I just don't know how to play that game

In pride and grace we rise with the sun  
With the morning light  
We just run and run  
The good old days that imaginary place  
With the rising sun  
We forget and we embrace

My eyes grow darker  
Guide me now  
Can barely see your face  
Just lead the way

My days grow longer  
Can barely find my trace  
One more day I try to be strong  
You know I won't last that long

For a time I feed the fires  
I search and seek while time expires  
Hold me I'm so afraid  
I just don't know how to keep this flame

In pride and grace we rise with the sun

My eyes grow darker
