

# Raise Your Voice

Crossfaith

Why Are You Acting Like A Slave  
Why Are You Trying Stay The Same  
Why Do You Hide Yourself  
Can We Take A Leap Of Faith

See What You're Bleeding See What You're Feeling  
See What You're Running From  
You Gotta Look Inside  
Of Your Darkest Night  
It Makes You Feel Alive Again

Raise Your Voice Raise Your Voice  
You're At The Edge Of Your Resolution  
You Gotta Find Yourself Gotta Find The Only Way

I Know You Want To Be Yourself  
I Know You Want To Break That Shell  
How Will You Change Yourself? So Weak With Pride And Shame

See What You're Bleeding See What You're Feeling  
See What You're Running From  
You Gotta Look Inside  
Of Your Darkest Night  
It Makes You Feel Alive Again

Raise Your Voice Raise Your Voice  
You're At The Edge Of Your Resolution  
Gotta Find Yourself Gotta Find The Only Way  
Come On And Raise Your Voice  
Before You Say Goodbye To You  
Come On And Raise Your Voice  
Before You Say Goodbye To You

Before You're Broken Down  
Pull The Trigger!  
You Are A Bullet In The Chain Bar Go And Make Your Move  
Pull The Trigger!  
Keep Searching For Signs  
Deep Breath And Just Close Your Eyes

Feel Your Heart, Count That Beats  
No One Can Stop The Way You Breathe  
Crawling Down To The Crowd  
Guided By The Lights In The Dark  
Now It's Time To Change Your Fate  
You Will Hear The Sound Of Silence  
Close Your Eyes And Taking Aim  
See Your Dreams And Find The Way

Raise Your Voice Raise Your Voice  
You're At The Edge Of Your Resolution  
Gotta Find Yourself Gotta Find The Only Way

Before You Say Goodbye To You  
Come On And Raise Your Voice
