

# Pass the Dutch

Cypress Hill

Do you want to get high?  
(YEAH ! ....)

(Put it in the air...)  
Pass the joint on the left hand side  
Only on the left hand side  
Pass the joint on the left hand side  
Only on the left hand side  
Pass the joint on the left hand side  
Only on the left hand side  
Pass the joint on the left hand side  
Then put in the air  
if you wanna get high

Spark it up in a circle  
With the kush weed that would hurt you  
If you got the purple we can blaze it  
Either way, The high you scerch?  
You shoulda bought  
Then you know the rules  
before you hit it once  
When you catch my blunt  
you know which way to pass it  
when it comes

Pass the joint on the left hand side

Don't ever pass it on the right  
never ash it on my Nike  
If you sprinkle hash in it  
Just don't let it out your sight  
'Cause if you take it outta sight,  
Well ya just beggin' for a fight  
Aight!  
Give me a lighter,  
So why you can't decide  
to ignite it?  
Puff Puff Pass homie!  
Don't just stand and try to hide it  
I smoke a bowl or a spliff  
and uplift my sprits  
then I take a bong hit  
Hit it fuckin' hard  
and clear it  
Hit it with the left hand,  
pass to the next man  
Still the fool is blessed,  
and his weed is from the west  
and you'll never get it done  
your bitin',  
you can bet it on your life  
It's 4/20 every night  
Who wanna get high?

Do you want to get high? (YEAH !....)

Pass the joint on the left hand side

Only on the left hand side  
Pass the joint on the left hand side  
Only on the left hand side  
Pass the joint on the left hand side  
Only on the left hand side  
Pass the joint on the left hand side  
And then put it in the air  
If you wanna get high

I'm Green Evidence  
On the podium, stands the minister  
I see weed from Cypress trees  
I just finished up  
I'm center stage high,  
Civic center stage dive  
Even summer, winter, spring,  
and fall, ain't the same  
My heads in the clouds  
of smoke then I choke and laugh,  
then toke on the left hand side  
No joke work  
can touch these Los Angeles souls  
We twist herbs up  
The word's a dangerous flow  
(Go!)  
(Only on the left hand...)  
When I smoke  
I'm tilted to the side like a kick stand  
Roll up a rock  
and call me a middle man  
I'm sinkin' a riddle  
like it was quicksand  
One (snort) clear out your nasal passage  
wit the medicine of dristan  
Voilà  
My mind at ease...  
The Police car (Whoop-Whoop)  
wanna come find my trees  
Hashish from Iraq  
will make my eyes chinese  
Tearing up the studio  
just tryin' to find my keys (la, la, la, la, la...)  
It's like that ya'll

Pass the joint on the left hand side  
Only on the left hand side  
Pass the joint on the left hand side  
Only on the left hand side (la, la, la, la, la...)  
Pass the joint on the left hand side  
Only on the left hand side  
Pass the joint on the left hand side  
Then put it in the air  
If you wanna get high

Do you want to get high? (YEAH !....)
