

## Jonz In My Bonz

D'Angelo

Said I got a jonz in my bonz  
I said this feeling that I got  
Won't leave me 'lone  
Said I got a jonz in bonz  
I said this feelin' I got  
Goes long and strong

All my natural life I've been waiting  
I've been holding on  
To everything that belongs to me  
Fooled, missed by every single possibility  
What I wouldn't give to be  
Next to the things that where meant fo me  
Uh ooh

Said I got a jonz in my bonz  
I said this feeling that I got  
Won't leave me 'lone  
Said I got a jonz in bonz  
I said this feelin' I got  
Goes long and strong

On and on, on and on, on and on, on, on,  
Baby, shoo do doo da do

Said I got a jonz in my bonz  
I said this feeling that I got  
Won't leave me 'lone  
Said I got a jonz in bonz  
I said this feelin' I got  
Goes long and strong
