

## O Spirit, Animate Us

Damon Albarn

Oh father, we have become alone by the night  
Our demons die  
Father, give your spirit, animate us

Oh father, oh father, let us not be tied  
Keep my spirit strong  
My heart devotion to you  
Oh, my day is in you, oh, my day

Leave me gently  
Give us something of a righteous revival  
It's all kingdom, revival
