If I Needed You

Dashboard Confessional

If I needed you Would you come to me Would you come to me And ease my pain? If you needed me I would come to you I'd swim the seas For to ease your pain.

In the night forlorn The morning's born And the morning shines With the lights of love You will miss sunrise If you close your eyes That would break My heart in two.

The lady's with me now Since I showed her how To lay her lily hand in mine Loop and Lil agree She's a sight to see And a treasure for the poor to find.

If I needed you Would you come to me Would you come to me And ease my pain? If you needed me I would come to you I'd swim the seas For to ease your pain.
