

# Hello Vietnam

**Dave Dudley**

Kiss me goodbye and write me while I'm gone  
goodbye my sweetheart  
hello Vietnam

America has heard the bugle call and you know it involves us  
one and all

I don't suppose that war will ever end  
there's fighting that will break us up again

Goodbye my darling hello Vietnam  
a hill to take a battle to be won

Kiss me goodbye and write me while I'm gone  
goodbye my sweetheart  
hello Vietnam

A ship is waiting for us at the dock  
America has trouble to be stopped

We must stop communism in that land

Or freedom will start slipping through our hands

Goodbye my darling

I hope and pray someday the world will learn

That fires we don't put out will burn bigger

We must save freedom now at any cost  
or someday our own freedom will be lost

Kiss me goodbye and write me while I'm gone.

Goodbye my sweetheart, Hello Vietnam.
