

# Ain't Worth The Powder

David Allan Coe

I came up the hard way  
And fought with my back to the wall  
Sometimes down to nothin'  
But right now, babe, we've got it all  
Looking back now  
When it comes down to facing the truth  
Ain't worth the powder  
To blow me to hell without you

That's my Silver Eagle  
And my name up in lights  
And those big blue white diamonds  
They can't keep me warm late at night  
Here in the spotlight  
My dreams have come true  
But I ain't worth the powder  
To blow me to hell without you

Well, you know if the time ever comes, babe  
When it's down to just win, lose or draw  
I don't Care what they take  
They can take what they want to  
As long as they leave you  
'cause you're the most precious thing of all

Take my Silver Eagle  
And my name up in lights  
And those big blue diamonds  
they can't keep me warm late at night  
Here in the spotlight  
My dreams have come true  
But I ain't worth the powder  
To blow me to hell without you  
No I ain't worth the powder  
To blow me to hell without you
