## I Feel Free

**David Bowie** 

Dear when I dance with you We move like the sea You, you're all I want to know I feel free I feel free

[CHORUS (2x)]
I can walk down the street
there's no one there
the pavement is one huge crowd
I can drive down the road
my eyes can't see
but my mind wants to cry out loud

I feel free

Dance floor is like the sea The ceiling is the sky You're the sun, and as you shine on me I feel free [3 times]
