

# Within You

David Bowie

How you turned my world, you precious thing  
You starve and near exhaust me  
Everything I've done, I've done for you  
I move the stars for no one

You've run so long  
You've run so far

Your eyes can be so cruel  
Just as I can be so cruel  
Though I do believe in you  
Yes, I do

Live without the sunlight  
Love without your heartbeat  
I, I can't live within you  
I can't live within you

I, I can't live within you
