

# Walk On

Deep Purple

If you don't like what you see  
If you can do better than me  
You better walk on

If the road before you winds  
Obscuring all the signs  
You better walk on

You mean more to me  
Than just a pretty face  
I won't hold you down  
You need a little space

If you don't like what you see  
If you can do better than me  
You better walk on

You know I don't like to fight  
No matter who's wrong or right  
You better walk on

I don't mean to bring you down  
If you prefer the other side of town  
Walk On

You been troubled  
Sleeping through the night  
Deal with it in the daytime  
Then you can turn off the light

If you don't like what you see  
If you can do better than me  
You better walk on

Girl I tried  
You know I tried  
And while I cried  
You lied

You better walk on

Well the heart inside me burns  
And the world around me turns  
You better walk on

You know It won't be right away  
We'll meet again someday  
You better walk on  
You better walk on

When the shine wears off  
And he's on to something new  
Try not to think about  
How good I was to you

If you don't like what you see  
If you can do better than me

You better Walk on
