

I Ruler Of Paradise In Black

Deinonychus

Born for a destiny that has yet to come
I search for the holy son
He, who denied my God from the almighty throne
His empire shall be forever gone
In my search for the disgusting nazarene child
Many silver-tears shall be cried.

You... disgusting nazarene
Ah! hide! hide!
My hate to you is eternal
Bleed, bleed, bleed.

Thou, who tried to bring me down by Magiddo's swords
Thy blood shall be coloured black
Finally, when I find that nazarene childsfuck of God
His blood will spill, lying torn, torn, torn
Then the heavenly skies of the saints will turn black
Sees the child hung by the neck

Now... Ruler of the Dark
Hail! hail!
Crush the golden gates
Forever, forever, forever...

Silver-tears were cried...
