

Before You Accuse Me

Delbert McClinton

Before you accuse me
Take a look at yourself
Before you accuse me
Take a look at yourself
Yes - I been runnin with other women
But I don't love nobody else

I called your Momma three or four hours ago
I called your Momma three or four hours ago
Your Momma said "Son don't call my daughter no more"

So come on back home baby - try my lovin one more time
(I wish ya would)
Yeah come on back home baby - try my lovin one more time
Yes - I been runnin with other women
But I ain't guilty of no crime

Alright - guitar, baby, you got it

I called your Momma three or four hours ago
I called your Momma three or four hours ago
(Yes I did)
Your Momma said "Son don't call my daughter no more"

Before you accuse me
Take a look at yourself
Before you accuse me
Take a look at yourself
Yes - I been runnin with other women
But I don't love nobody else
