

# I Sometimes Wish I Was Dead

Depeche Mode

New sound all around  
You can hear it too  
Get it hot, never stop  
Just for me and you  
Playing on my radio  
And saying that you had to go

New day, turn away  
Wipe away the tear  
New night, feel alright  
Knowing that you're here  
Dancing with you all the time  
And don't you think that it's a crime

Back street, never meet  
Never say goodbye  
I know where you go  
But I don't know why  
You say that it's from above  
And I say "this is modern love?"
