

I Hate (Teen Angst)

Deviates

I'm not racist I hate everyone and yes, I hate you.
I hate cops,
Authority figures, parents, teachers too.
I hate cabbage & brussel sprouts.
I hate things I can live without & I can live without you.
I can live without you, so just leave me alone,
Take your ball & go home, I'll do it on my own
The years go by and the names, they change yet teenage rebellio
