

# Awake!!

Devin Townsend

Hey...  
You're awake.  
And it keeps you where you wanted to be known.  
That's alright  
You know that you've been framed.  
All the way.  
And it keeps you where you wanted to be known.  
But that's alright... you're only human, boy...  
Take your inhibitions going home.  
Hey! You're awake!  
And that keeps you where you're wanting to be owned.  
That's alright,  
You're only evil...  
'Eh' all the way!  
And it keeps you where you're wanting to be owned.  
That's alright, you're only human boy,  
So stay a while...  
All the worlds a stage and we are home again, home  
again!  
All the worlds afraid but we are home again, home  
again!  
Away from home? Wait!  
I died a little... waiting, waiting... wait!  
I want to be set free... on the road again for you and  
me.  
Tell your partner that you'll be on the way, so get up,  
get up, get up...  
We're far too old to whine about it!  
Hey, you're awake.  
And it keeps you where you've wanted to be known.  
That's alright,  
You knew we knew the way... all the way.  
And it keeps us where we wanted to be on time...  
Oh, then sooner or later it comes...  
And we're free!  
I'm free!  
I'm free!  
All the worlds a stage and we are home again, home  
again!  
All the worlds afraid but we are home again, home  
again!  
Away from home? Wait!  
I died a little... waiting, waiting... wait!  
I want to be set free... on the bond again for you and  
for me...  
Without a haunted song we'd be all alone...  
So get up, get up, get up...  
Now deconstruct!  
Deconstruct!  
Get up, get up! Deconstruct!  
Deconstruct!

All the worlds afraid... all the worlds afraid...

And we looked up to the stars last night  
And I saw that maybe...there was nothing more?  
...and my thought turned!
