

You Are Not Alone

Diana Ross

Another day has gone, I'm still all alone
How could this be, you're not here with me
You never said goodbye, someone tell me why
Did you have to go and leave my world so cold

Every day I sit and ask myself how did love slip away
Something whispers in my ear and says

That you are not alone, for I am here with you
Though you're far away, I am here to stay
For you are not alone, I am here with you
Though we're far apart, you're always in my heart
For you are not alone, alone, why

Just the other night I thought I heard you cry
Asking me to come and hold you in my arms
I can hear your prayers, your burden I will bear
But first I need your hand, then forever can begin

Every day I sit and ask myself how did love slip away
Something whispers in my ear and says

You are not alone, for I am here with you
Though you're far away, I am here to stay
For you are not alone, I am here with you
Though we're far apart, you're always in my heart
For you are not alone

Whisper three words, then I'll come running, hey
And boy you know that I'll be there, I'll be there

You are not alone, for I am here with you
Though you're far away, I am here to stay
For you are not alone, I am here with you
Though we're far apart, you're always in my heart

You are not alone, I am here with you
Though we're far away, I am here to stay
You are not alone, I am here with you
Though we're far apart, you're always in my heart
For you are not alone
You are not alone
