

# The Light

Disturbed

Like an unsung melody  
The truth is waiting there for you to find it  
It's not a blight, but a remedy,  
A clear reminder of how it began  
Deep inside your memory  
You turned away. As you struggled to find it  
You heard it call as you walked away  
A voice of calm from within the silence  
And for what seemed an eternity  
You waited. Hoping it would call out again  
You heard the shadow beckoning  
Then your fear seemed to keep you blinded  
You held your guard as you walked away

When you think all is forsaken,  
Listen to me now  
Hope's not forsaken  
You need never feel broken again  
Sometimes darkness can show you the light

An unforgivable tragedy  
The answer isn't where you think you'd find it  
Prepare yourself for a reckoning  
For when your world seems to crumble again  
Don't be afraid, don't turn away  
You're the one who can redefine it  
Don't let hope become a memory  
Let the shadow permeate your mind and  
Reveal the thoughts that were tucked away  
So that the door can be opened again  
Within your darkest memories  
Lies the answer if you dare to find it  
Don't let hope become a memory

When you think all is forsaken,  
Listen to me now  
Hope's not forsaken  
You need never feel broken again  
Sometimes darkness can show you the light

Sickening, weakening  
Don't let another somber pariah consume your soul  
You need strengthening, toughening  
It takes a bit of dark to rekindle the fire burning in you  
Ignite the fire within you

When you think all is forsaken,  
Listen to me now  
Hope's not forsaken  
You need never feel broken again  
Sometimes darkness can show you the light

Don't ignore, listen to me now  
You need never feel broken again  
Sometimes darkness  
Can show you the light
