

Trapped In

Division of Laura Lee

Cant get ahold of the leaf that i need there is no end to the t
o streets im on my knees and i wish some day things would get b
etter i been trapped in this black hole for too long can't unde
rstand can't understand the word of what u say i never bothered
to listen ne way and i know some day things will get better i
been trapped in this black hole for too long im trapped in i be
en trippen im furious over the state im in im trapped in i been
trippen im furious over the state im trapped in i been trippen
and im furious over the state im in and i know some day things
will get better i been trapped in this black hole for too long
