## **Dolores O'Riordan**

If you, if you could return Don't let it burn, don't let it fade I'm sure I'm not being rude But it's just your attitude It's tearing me apart It's ruining everything I swore, I swore I would be true And honey so did you So why were you holding her hand Is that the way we stand Were you lying all the time Was it just a game to you (chorus) But I m in so deep You know I'm such a fool for you You got me wrapped around your finger Do you have to let it linger Do you have to, do you have to let it linger Oh, I thought the world of you I thought nothing could go wrong But I was wrong, but I was wrong

If you, if you could get by
Trying not to lie
Things wouldn't be so confused
And I wouldn't feel so used
But you always really knew
I just wanna be with you
