

I tried to be  
Something more than meant for me  
Gets hard to breathe  
Too much from a small LG

Didn't need to know  
Better times when you take it slow  
Which ways to go  
Back down on the patio

Do you want a TV?  
We don't want a TV anymore  
Do you want a TV?  
We don't want a TV anymore

Couldn't make it back  
Wishing I could make it black  
Have another crack  
Let me know when it's strength you lack

Do you want a TV?  
We don't want a TV anymore  
Do you want a TV?  
We don't want a TV anymore

We don' want a TV?  
We don't want a TV anymore  
We don' want a TV?  
We don't want a TV anymore  
We don' want a TV?  
We don't want a TV anymore  
We don' want a TV?  
We don't want a TV anymore
