

Safest Place

Echosmith

Oh Woah, Oh Woah

You're not drowning, you're not lost
You're not broken, you're not star crossed

Keep ya far keep ya far from what I know
You'll be fine, you'll be fine just don't look closely... now

Run straight through the valley, and into where you want it to be
swim past the shadows
in the words that echo off the streams
If you're lookin' for truth, don't come looking for me
You're better off not knowing
Its your own story, Its the safest place you'll ever be

Oh woah

I was hoping that you'd be fine
Lies unfolding, Cover you're eyes

Keep ya far keep ya far from what I know
You'll be fine, you'll be fine just don't look closely... now

Run straight through the valley, and into where you want it to be
swim past the shadows
in the words that echo off the streams
If you're lookin' for truth, don't come looking for me
You're better off not knowing
Its your own story, Its the safest place you'll ever be
You'll ever be, You'll ever be

Oh woah

Oh, oh
oh, oh

Keep ya far keep ya far from what I know
You'll be fine, you'll be fine just don't look closely... now

Run straight through the valley, and into where you want it to be
swim past the shadows
in the words that echo off the streams
If you're lookin' for truth, don't come looking for me
You're better off not knowing
Its your own story, Its the safest place you'll ever be
You'll ever be, You'll ever be
