

God Knows

El Perro del Mar

God knows
I've been taking a lot without giving back
God knows
I've been taking a lot without giving back

You gotta give to get
You gotta give to get back
You gotta give to get
You gotta give to get back
You gotta give to get
You gotta give to get back to the love

God knows
I've been taking a lot without giving back
God knows
I've been taking a lot without giving back
God knows
I've been asking a lot without giving back

You gotta give to get
You gotta give to get back
You gotta give to get
You gotta give to get back
You gotta give to get
You gotta give to get back to the love

Get back got to get back
Get back got to get back
Get back got to get back
Get back got to get back
