

# Your Captain Tonight

Elena Gheorghe

Dancin' in the moonlight,  
Livin' on boys and fun,  
Feels just so right.

Drinkin', i'm not thinkin',  
I am love drunk and I  
Feel amazin'.

Oh oh  
Boy you bring me up up,  
Take me to the top top.  
We don't need to talk talk,  
We're international.  
Kissing in the dark, dark,  
This is what I want want.  
Cause you're the bomb, bomb.

Baby put it on me,  
You make me feel so hasty,  
I'm go-go-gonna be  
Your captain tonight.

Baby put it on me,  
You make me feel so hasty,  
I'm go-go-gonna be  
Your captain tonight.

Its getting dark and hazy,  
This party's going crazy,  
We do it how we like it.  
And keep on rockin', and keep on rockin'.

Oh oh  
Boy you bring me up up,  
Take me to the top top.  
We don't need to talk talk,  
We're international.

Kissing in the dark, dark,  
This is what I want want.  
Cause you're the bomb, bomb.  
Baby put it on me,  
You make me feel so hasty,  
I'm go-go-gonna be  
Your captain tonight.  
Baby put it on me,  
You make me feel so hasty,  
I'm go-go-gonna be  
Your captain tonight.
