

# Angel Dust

Elijah Blake

Baby girl I've never been to heaven  
Then again I've never been to hell either  
With you I finally found a life that's worth living  
I wanna make love in a back room  
Run away to Vegas with a [?] room  
You can be my honey on a full moon

I wanna hear the angels sing  
I wanna hear the angels sing  
I wanna hear em sing, for me, for me, for me baby

I wanna make a promise I can't keep  
Just to get a taste of your sweet dreams  
Baby let it out if you wanna scream

I wanna hear the angels sing  
I wanna hear the angels sing  
I wanna hear em sing, to me, to me, to me, to me

Baby like la da-da-da-da, da-da-da-da, la da-da-da-da-da  
Like la da-da-da-da, da-da-da-da, la da-da-da-da-da- da

See as I lay me down to sleep baby  
Girl I pray to God, my heart she'll keep  
Maybe then that means we need an new defintion of "rest in peace"  
Trust me

I wanna hear the angels scream  
I wanna hear em scream

Baby like la da-da-da-da, da-da-da-da, la da-da-da-da-da  
Like la da-da-da-da, da-da-da-da, la da-da-da-da-da-da

I can hear 'em say, (come, come, come)  
I can hear the angels say, (come, come, come)  
As we welcome into your heaven babe  
I wanna hear the angels scream

No I can't call this magic, that ain't how it happens  
Couldn't feel this overnight  
I wanna tell you thank you, but those two words just won't do  
That's just how I feel inside  
It's so crazy how I fell so many times and you never let me give up  
Saw the truth when I told you a million lies  
Cause you always knew me better  
All my past mistakes, I wish I could erase  
To show you that I'm ready to change  
If I could reset my heart for you  
Then reset is what I'm gonna do  
Reset my mind on you, then reset it what I gotta do, do, do  
I just wanna be good enough for you  
Cause I ain't been good enough to you  
And I wanna be, ooh I gotta be, good enough  
Ooh, help me be, help me be, help me be good now  
I'm so thankful God, yes I am, I'm thankful  
So thankful, so thankful
