

## Little Cabin on the Hill

Elvis Presley

Tonight I'm alone without you my dear  
It seems there's a longing for you still  
Oh, but I just keep it there so I won't be alone  
In our little cabin home on the hill

Oh, someone has taken you from me  
And left me here all alone  
Well, to listen to the rain to beat on my window pane  
In our little cabin home on the hill, well, oh

Oh, someone has taken you from me  
And left me here all alone  
But to listen to the rain to beat on my window pane  
In our little cabin home on the hill

Oh, someone has taken you from me  
And left me here all alone  
To listen to the rain beat on my window pane  
In our little cabin home on the hill  
In our little cabin home on the hill
