## **Crescent City**

## **Emmylou Harris**

Everybody's had a few

Now they're talking about who knows who

I'm going back to the crescent city

Where everything's still the same

This town has said what it has to say

Now I'm after that back highway

And the longest bridge I've ever crossed over pontchartrain

Tu les ton sans temps that's what we say
We used to dance the night away
Me and my sister me and my brother
We used to walk down by the river

Mama lives in mandeville
I can hardly wait until
I can hear my zydeco
And laissez le bon ton roulet
And take rides in open cars
My brother knows where the best bars are
Let's see how these blues'll do
In the town where the good times stay

Tu les ton sans temps that's what we say
We used to dance the night away
Me and my sister me and my brother
We used to walk down by the river

Tu les ton sans temps that's what we say We used to dance the night away
Me and my sister me and my brother
We used to walk down by the river
