

# I Hung My Head And Cried

Ernest Tubb

You told me that you cared that you would never lie  
I saw you in another's arms and I hung my head and I cried  
Hung down my head and cried hung down my head and I cried  
I saw you in another's arms and I hung my head and I cried

I prayed to God above to give me wings to fly  
To fly away to another world and I hung my head and I cried  
Hung down my head and cried
