

## What My Woman Can't Do

Ernest Tubb

It amazes me how she can change my mind  
When it seems to be impossible she can do it everytime  
And the way she always loves me she's got that down perfect too  
I keep asking myself what is it the lady can't do  
She brightens any room she walks inside  
And the way she comes in smiling you'd never think she ever cries

She still looks as young and pretty as she did the day we met  
If there's one thing bad about her I ain't found it yet  
What it is my woman can't do can't be done  
If there's ever been a darling I've got one  
She beats all I've ever seen she's the champion of our team  
What my woman can't do can't be done what my woman can't do can't be done
