

# When Tomorrow Comes

Eurythmics

Underneath your dreamlit eyes  
Shades of sleep have driven you away.  
The moon is pale outside  
And you are far from here.  
Breathing shifts your careless head  
Untroubled by the chaos of our lives.  
Another day - another night  
Has taken you again my dear.  
And you know that I'm gonna be the one  
Who'll be there  
When you need someone to depend upon  
When tomorrow comes...  
When tomorrow comes...

Wait till tomorrow comes - yea yea...  
Wait till tomorrow comes - yea yea...

Last night while you were  
Lying in my arms  
And I was wondering where you were  
You know you looked just like a baby  
Fast asleep in this dangerous world.  
Every star was shining brightly  
Just like a million years before.  
And we were feeling very small  
Underneath the universe.  
And you know that I'm gonna be the one  
Who'll be there when you need  
Someone to depend upon  
When tomorrow comes...  
When tomorrow comes...
