Reflection

Look at me You may think you see who I really am But you'll never know me Ev'ry day It's as if I play a part Now I see If I wear a mask I can fool the world But I cannot fool my heart

Who is that girl I see Staring straight back at me? When will my reflection show Who I am inside?

I am now In a world where I have to hide my heart And what I believe in But somehow I will show the world What's inside my heart And be loved for who I am

Who is that girl I see Staring straight back at me? Why is my reflection someone I don't know? Must I pretend that I'm Someone else for all time? When will my reflection show Who I am inside?

There's a heart that must be free to fly That burns with a need to know the reason why Why must we all conceal What we think How we feel Must there be a secret me I'm forced to hide?

I won't pretend that I'm Someone else For all time When will my reflection show Who I am inside? Who I am inside? When will my reflection show Who I am Who I am inside? Who I am Who I am
