

# I Know

Fats Domino

Know you don't love me no more  
No more no no more  
And I don't wanna be hurt  
Anymore anymore  
And yet I loved so hard  
Everything I done is a lark  
So you can't love me right baby  
You don't have to love me at all  
You know I know you don't want me no more  
No more no no more  
And it must be someone else  
Who's loving you more lovin' you more  
Ain't no use in me cryin' now  
You want be you are wouldn't be down  
If you don't want me no more baby  
Ain't no use in you hangin' around

I know you don't want me no more  
No more no no more  
And it must be someone else  
Who's loving you more lovin' you more  
Ain't no use in me cryin' now  
If it want's you are wouldn't be down  
If you don't want me no more baby  
Ain't no use in you hangin' around  
I know I know I know  
I know I know baby yes I know  
I knnooooooww
